Roberta specializes in general psychotherapy using a Jungian framework, including interventions and techniques from Behavioral and Emotionally Focused Therapy. She has special interest in relationships, family issues, self-development, women's issues, sexuality, and career development. She also assists clients in developing their emotional, spiritual, and financial integrity, including drawing on her Emotional Intelligence expertise to help clients build, improve, and sustain skills like resiliency, optimism, and stress tolerance.

Roberta does not specialize in borderline personality disorders, substance abuse, psychosis, or schizophrenia.

Roberta is licensed by the Missouri, North Carolina and South Carolina Board of Examiners for the Licensure of Professional Counselors, Marital and Family Therapists, and Psychoeducational Specialists who require that all licensees inform their clients that licensees are prohibited from all forms of dual relationships such as business ventures and sexual intimacy.
